

Submission Form for (Article/Presentation Paper)

Please fill in the following sections.

1. Authors' name and affiliations. (For student members, include year of program. Students who are submitting as the sole author must include the name of their advisor.)

2. Contact information

Address: 〒

E-mail address:

Phone:

3. Title (in Japanese or English)

4. Please answer the following questions.

(1) Has the English of the manuscript been proofread by a native English speaker (or equivalent)?

YES NO (Please circle one.)

The native speaker's name and affiliation: _____

(2) Has the author published (or sent for review) or made any oral presentations on topics related to this submission within the past five years?

YES NO (Please circle one.)

(3) If you answered YES to 4. (2), please fill in the following section.

1. Indicate the title, journal name, volume, year, and page number. (If more than one applies, choose the one most directly related and describe it.)

2. If the paper has been sent for review, indicate the title, the journal it was submitted to, and the year it was submitted.

3. If the item was presented at a meeting (The Farm Management Society of Japan conferences or otherwise), but has not been made into a paper yet, please indicate the name of the meeting and the year it was presented.

*English documents must have been proofread by a native English speaker (or equivalent) prior to submission.

*The definition of "papers and presentations on related topics" includes books and magazine articles, but not academic theses. If the author has published on a related topic, send an offprint or copy of the publication (unless the publication is a book).

*English documents must have been proofread by a native English speaker (or equivalent) prior to submission.

*When submitting articles/presentation papers, please be aware of the page limit. Articles should be no more than 17 pages including Figures and Tables (11 pages when printed). Articles can only exceed this page limit with the express permission of the editing committee. If it is discovered that an article has been submitted that exceeds the page limit, it may be sent back for revision before being received for review.
